## Your Packet is in the Mail!

Thank you to all who have sent in their pledges and donations. As of Wednesday, **117 households have offered their financial support.** This week, all registered households will be receiving an information packet. We urge you to review the details of the projects and the options that are available to add your support to this Campaign!

### The Initial Project: Phase 2 – Kitchen

These pictures show why our second project needs to be the Kitchen in the Auditorium of the Church. This past week, we held our “Pancakes for Dinner” Lenten Event and had to use a variety of borrowed griddles since the vent hood in the photo on the left has to be upgraded. During work years ago, the hood’s integrity was violated. Without a new hood, the stove—oven—grill

space is only good for bread racks and storage. What great parish events we will be able to have once we have fixed the kitchen. You are the key to that success!

St. Margaret’s Capital Campaign

### Parishioners Share Their Thoughts

Several parishioners are speaking at our Masses this weekend. Their theme is how much St. Margaret has meant to them through the years and their willingness to help with the Campaign. This Campaign is the work of all of us. **Our campaign is based on equal sacrifice, not equal giving.** Even though it will take a lot of time and effort, our support of this effort is strengthened by our shared commitment to and love for our parish. Everyone’s participation is most important.
