### Why Consider Pledging?

We are asking each family to prayerfully consider a sacrificial pledge, over three or four years if possible. Your participation is essential to a successful campaign. We appreciate all pledges and one-time gifts. Pledging, however, accomplishes many things:

- A pledge allows one to consider a gift, which would otherwise not be possible.**
- A pledge makes payments less of a burden than a one-time gift.**
- A pledge gives the parish an accurate estimate for planning.**

Your pledge is a statement of your intent to give to the best of your ability. It is not legally binding. We know that when you make your pledge, you will do your best to fulfill it. Making a pledge requires faith that the blessings of the Lord will continue. We also know that giving won't be easy; sacrifice never is.

### Next Weekend is Commitment Weekend!

If you have not yet made your gift to the campaign, we invite you to make your pledge next weekend at Mass. Pledge envelopes can be placed in the collection basket, with your regular donation, or mailed to the parish. Please review the suggested gift plans in the brochure and contribute to the success of our campaign with your gift!
