Commitment Weekend is Here

Thank you to all who have sent in their pledges and donations. As of Wednesday, **156 households have offered their financial support.** All registered households were sent information packet describing the projects and the options that are available to add your support to this Campaign! If you have not received one, please call the Parish Office.

Each Pledge is Important!

We hope that the recently mailed packet of information has helped you see the importance of our Campaign. This Commitment Weekend is a reminder that each family's support is vital. If you are still considering how you can help, you can use the return envelope in the packet, put it in the collection, or drop it off at our Office. We appreciate all pledges and one-time gifts.

A pledge gives the parish an accurate estimate for planning.

Your pledge is a statement of your intent, it is not legally binding. We know that you will do your best to fulfill it. Making a pledge requires faith that the blessings of the Lord will continue. We also know that giving won't be easy; sacrifice never is.

A pledge allows one to consider a gift, which would otherwise not be possible.

A pledge makes payments less of a burden than a one-time gift.
