## Contractors' Bids Being Reviewed

We received no update this week. Thanks to all who have pledged and a special thanks to the **8 families** whose pledges recently arrived. **383 households** have offered their financial support. Each pledge makes a difference.

### Please remember:

- \* Pledges can be made over a period of three or four years.
- \* Pledge payments are in addition to your weekly offertory.
- \* All contributions are tax deductible.
- \* Make checks payable to: St. Margaret's Capital Campaign

The contractors came on June 20th for the site inspection of our project: to replace our entrances. The Diocese received the bids and sent 2 bids to us to review. We have requested some clarifications. Fr. Jim was away this week, so we have time to get the information back. After receiving it, we will evaluate the bids with the diocesan building department. We can then arrange preliminary meetings with the contractors we agree on and review their bids with them. After that, a decision is made in conjunction with the Diocesan Building Office. The company we select will work with us to set the actual construction schedule, which we will share with you.
