Project #1 Contact Signed

Andy White from Parish Development Consultants has been away. Therefore, we cannot update the Pledge amount. But there is a good number of envelopes waiting for him when he returns after Labor Day.

Two contractors made their presentations on August 13 to a panel consisting of Dirk Wojtczack (DRVC Building Office), the Architect, two parishioners with contracting experience, Mike Lorio and Fr. Jim. We unanimously chose Rockmore Contracting Corp. Mr. Sean Finn, the president, will be working with us. He has done many big jobs with the Diocese and he came thoroughly prepared. All his papers passed the scrutiny of the DRVC. The contract was signed this past week and Sean anticipates beginning work on the side stairways by Sept. 10. The entire first project will take until about Nov. 30th.

Future bulletins will be explaining how this will affect getting into church.

Please remember:

- * Pledges can be made over a period of three or four years.
- * Pledge payments are in addition to your weekly offertory.
