

# Campaign Catch Up

January 6, 2019

Vol I Edition 48

## Total Pledged: \$855,608

## Still No News on Railings

We had hoped to have the stairways open for Christmas, but have hit a snag. The plan and design of the steps called for reusing the old railings. A recent inspection turned up the fact that the railings (while to code when originally built) do not meet the current code. The old railings are 4” too short and the uprights are 4” apart. The current code is that they

be no more than 3” apart, to insure a child cannot slip through.

Before Christmas, new railings were designed and we await design approval, bids and delivery estimates. Our first bid was for a 6 week delivery time.

We will keep you up to date. Please pray the remaining bids are quicker.

### Proposed Schedule of Work

**PHASE I** **Fall 2018**

**Approximate Cost: \$450,000**

- Replace the Church Entrance Bridge and Side Stairways
- Mandated Removal of the oil tank in the Parish Center and replace the Boiler
