## Dear Parishioners and Visitors,

As we continue to face the challenges of our “new normal,” I invite you to strengthen your faith journey with examples of people from the 20<sup>th</sup> century who faced challenges of their own. Their lives give us a chance to appreciate the different ways that faith can be lived and shared.

*Fr. Jim Wood, Pastor*

### Servant of God Nicholas Black Elk

Holy Man (1863–1950)

Black Elk, an Oglala of the Lakota Sioux, was born in 1863 on the Little Powder River in present-day Wyoming and grew up in a world on the verge of destruction. At the age of nine he experienced a life-altering vision in which he traveled to the center of the universe and heard a call to save his people.

Black Elk came from a long line of powerful medicine men. In 1881 he accepted his own initiation in this mission. In 1890 he survived the massacre at Wounded Knee, where over 300 men, women, and children died, their trust in the mystical Ghost Dance having failed to protect them from army bullets. Years later he said, “I did not know then how much was ended. . . . A people’s dream died there. . . . It was a beautiful dream . . . the nation’s hoop is broken and scattered. There is no center any longer, and the sacred tree is dead.”

In 1892 Black Elk married a Christian woman, and their three children were baptized. In 1904, after his wife’s death, Black Elk himself became a Catholic, taking the name Nicholas. Eventually he became a catechist and traveled widely, spreading the Catholic faith. Opinions differ on the meaning of his story and how Black Elk reconciled the different halves of his spiritual history. Apparently, he found a way to integrate his Christian faith with the great vision of his youth. At sixty-seven, he finally described that vision to a white author in the classic *Black Elk Speaks*. He died on the reservation on August 19, 1950.

In 2017 the Vatican authorized his cause for canonization, and he was named Servant of God.

*“Sometimes dreams are wiser than waking.”—Servant of God Nicholas Black Elk*

## Please Note Mass Schedule Changes

There is no Mass on Saturday mornings at 8AM for the rest of 2020 as we are videoing the Sunday Mass that morning.

There will be no Mass on Thursday morning ~ 9AM until after Labor Day.

**2020 Census Info** ~ The 2020 Census is still ongoing. You can complete your questionnaire online at [www.2020census.gov](http://www.2020census.gov) or by phone. Customer service representatives are available every day from 7am-2am ~ English: 844-330-2020, Spanish: 844-468-2020. **Starting 8/11**, census takers will begin interviewing households that have yet to respond to the 2020 Census.

If someone visits your home to collect information for the 2020 Census, check to make sure they have a valid ID badge with their photograph, a U.S. Department of Commerce watermark, and an expiration date. Census takers will follow local public health guidelines when they visit.

## RECONCILIATION / CONFESSION

**Saturday ~ 1:00pm to 2:00pm**

Due to the need for privacy without using an enclosed room, parishes have had to be creative in finding a suitable space for hearing confessions. We will be using the Parish Center foyer. The red front door will be propped open and a screen will be inside, between the priest and the penitent. There will be no chair or kneeler since we could not disinfect them. You simply come in, stay standing, confess, receive your penance and depart.

***If you see someone in the foyer, do not come up the walkway! Remain on the sidewalk (or in your car) to keep a safe distance.***

## Emergency Care: Maximum Safety for Urgent and Emergent Needs

Catholic Health Heightened Safety Measures Protects Emergency Department Patients

Catholic Health Services (CHS) maintains the highest level of safety across its integrated health care system. We’ve elevated that stellar care as we battle COVID-19. This is critical, because even during a pandemic, people will have accidents or health issues requiring emergency care. CHS wants you to know our emergency departments (ED) are safe centers of care. In fact, CHS has been successfully treating patients across the system and performing emergency surgeries throughout this pandemic. Similarly, CHS has been delivering babies, protecting the well-being of both mother and child.

CHS has put extensive measures in place to prevent the spread of the COVID-19 virus—from intensive sanitization to safe social distancing to isolation of COVID-19 patients.

If you or a family member are experiencing any symptoms that may require emergency care, call 911 or drive directly to a CHS hospital. We’re ready, safe and able to help you.

You may also contact our ambulance partner, Hunter Ambulance by calling (516/631)719-HELP.

## An Act of Spiritual Communion

My Jesus, I believe that You  
are present in the Most Holy Sacrament.  
I love You above all things,  
and I desire to receive You into my soul.  
Since I cannot at this moment  
receive You sacramentally,  
come at least spiritually into my heart.  
I embrace You as if You were already there  
and unite myself wholly to You.  
Never permit me to be separated from You.

Amen.

# Guidelines for Attending Our Parish Masses

As we resume celebrating Saturday and Sunday, please keep these essential points in mind.

- The obligation to come to mass on Sunday and Holy Days of Obligation is on hold in our diocese due to the pandemic.
- Those at **higher risk from COVID-19** (i.e. those **over 65** years of age, those with **sleep apnea**, anyone with **diabetes or heart disease**, those who are **overweight**, and/or with any **additional underlying health conditions**), **Should stay home**, for their safety.
- And, of course, anyone who is **not feeling well** or anyone **with a fever or a cough** of any sort **should not come to the church** to attend Mass, for a visit or for any other ceremonies or purposes.

## Limiting the Size of the Congregation & Safety Precautions

- **All those in the church are required to wear a mask** except those exempted by New York State directives
- **Congregations for all our liturgies must be limited.** Up to the weekend of July 11/12, the number was 70.

*With Long Island entering Phase 4, the Diocese has given permission to lessen the distances. Therefore, we will be increasing the number of spaces available to over 90 by allowing seating in EVERY OTHER PEW.*

Families and those who traveled to the church together sit together. All others must sit separately in the seats designated by the blue markings. To expedite seating, Ushers will oversee all seating. All are asked to sit where directed (it may well not be *your regular seat*). Limited seating may necessitate our turning parishioners away when we reached the mandated attendance number. *We have ordered an fm transmitter to allow those who cannot be seated to listen to the Mass in their cars.*

- All entrances and exits should be through the Front Doors. The north and south steps are for emergency exit only.
- This **physical distancing should be maintained** everywhere on the church property (at the entrance, in the parking lot, etc.).
- In areas where the parishioners stand in line (for example, entering or exiting the church, or to receive Holy Communion), tape has been placed on the floor to help proper spacing between persons.
- Rest Room are for emergency use only.
- All missalettes and hymnals have been removed from the pews. Readings and any hymn verses needed will be shown on the screen in the sanctuary. Bulletins will be available to be picked up only **after** mass.
- **Holy Water fonts** are to remain empty. The Holy Water dispenser (tank) is available (near the lobby elevator) for people to take Holy Water home with them.
- **Collection baskets will be in the lobby** so that faithful can simply drop their collection into the basket on their way into church. Collection baskets will not be passed around.

## The Distribution of Holy Communion

- **The Precious Blood will not** be available to the faithful.
- There will be two stations for receiving Communion – at the front of the side aisles. A small table and kneeler will be at each communion station in the front of the church. Priest and EM will sanitize their hands at these tables **BEFORE** distributing Communion.
- All are asked to remain in their seats until directed by the ushers. The people in the rear pews will go up first. They should not remove their face covering until immediately before approaching the minister to receive Holy Communion, allowing their hands to be free. **Holy Communion may not be distributed with gloves, nor may it be received in the hand if a member of the faithful is wearing gloves.** At the Communion Station, they should extend their hands (non-writing hand on top of dominant hand). The minister will say, “The Body of Christ” and place the host on the extended hand. Use the dominant hand to place the Eucharist in your mouth and immediately replace your mask.
- Anyone requiring reception on the tongue will need to stand behind the kneeler at the station until the minister has completed distributing the Eucharist. Ministers must sanitize their hands after each distribution of the Eucharist on the tongue.

## A Note of Thanks!

Dear Julie & the St. Margaret Of Scotland Pantry ~ I would like to take this opportunity to thank the St. Margaret Food Pantry for your support and generosity that was provided to my family during Covid 19. Your generosity has helped me find my way through these difficult times. It meant so much to me because it was so much more than just a basket of food. It was warm smiles, open hearts and helping hands in a time of need as well as a living example of God's love. Thank you all for giving of your time, talents, and treasure. May your Outreach continue to thrive and grow as you share God's Blessings with all whom you serve. "Lord, thank you for the gift of your Pantry. May your Grace continue to shine upon them." God Bless. The B family
